**Case #:**

**The following difficulties have presented a serious concern regarding the court-ordered treatment of the above-named client. (Please check all which apply):**

- ☐ **There has been a significant change in client's medication adherence. (Please note which medications, how long the client has been without medication, and interventions attempted with the outcome)**

- ☐ **The client has been hospitalized. (Please note the date, length, and cause for admission.)**

- ☐ **The client has been arrested and/or is currently in jail. (Please note the date, length, and nature of the crime)**

- ☐ **The client has become unhoused. (Please note the circumstances and interventions in process to rehouse)**

☐ **Other situation not listed above. (Please note the date, length, and nature of the situation and the circumstances and interventions used to address the situation.)**

**Recommendations for action:**

☐ **Notification to the court. No action required.**

☐ **Requesting a status hearing**

☐ **Requesting more frequent status reviews**

☐ **Treatment Team should discuss appropriateness of AOT**
